THE BETTER WE UNITE AND COORDINATE OUR EFFORTS THE BETTER RESULTS
WE COULD ACHIEVE WELL DONE.

Dear colleagues,

We admire your ceaseless and noble efforts as well as dedication. Your campaigns have helped to highlight the plight of political prisoners as well as the massive and systematic violations of human rights in Eritrea.

Hadish Tesfa Network would like to express our deep appreciation for all your noble efforts. We hope that all those Eritreans who claim to be involved in human rights realize the need to meaningfully cooperate, coordinate and harmonize their activities to get the effects and the international support we need to see.
